Message

Ananda Mohan College is one of the distinctive institutions in Bangladesh. The college was established in 1908 during the time of British-India. The college is named after Ananda Mohan Bose, who was a man of great reputation. Not only a Barrister, he was also a politician and a social reformer.

Maulavi Hamid Uddin Ahmed who was the first Muslim graduate in Mymensingh district and a classmate of Ananda Mohan Bose donated the most part of land for college and proposed to name the college after his friend, Ananda Mohan Bose.

Since 1908 the college has achieved the dignity of a first grade college in the country till date. As the intellectuals, scholars and learned teachers enlightened the institution, the students of this institution contributed much in national and international arena. Radhabinod Pal, a lecturer in Mathematics of Ananda Mohan College become the justice of Nuremburg tribunal in the 2nd World War. Syed Nazrul Islam, the first acting President of Bangladesh was a teacher of History Department at Ananda Mohan College; Prof. Kabir Chowdury and so many famous teachers served the college. Like others, the famous poet Nirmalendu Goon, renowned intellectual and writer Jatin Sarker, Jyotirmoy Guhathakurta, a martyred intellectual were the students of Ananda Mohan College.

I convey my gratitude to the first Principal of Ananda Mohan College Mr. Baikuntha Kishor Chakravarty and Mr. JR Black Wood, the then district magistrate of Mymensingh and Jamindars who organized and raised the fund in establishing the college.

I remember with great respect the father of the nation Bangabandhu Sheikh Mujibur Rahman and the freedom fighters of the liberation war of Bangladesh. The students, teachers and staff of Ananda Mohan College altogether try to make true the dream of father of the nation ‘**The Sonar Bangla**’ by their efforts. Thanks to all.

Ananda Mohan College

Chapter – 1

Introduction

Ananda Mohan College 'one of the major colleges in Bangladesh. The first wrangler of the Indian sub-continent, distinguished educationalist and social reformer [ananda mohan bose](#) (1847-1906) established a school named 'Mymensingh Institution' in 1883 in his own family residence at Rambabu Road of Mymensingh town. From April 1890, the school emerged with a new name 'Mymensingh City Collegiate School'. In 1899, Mymensingh Sava (a forum of local Hindu gentry) and Anjuman-e-Islamia (A forum of the Muslim gentry) jointly made an effort to set up a college in Mymensingh. Being encouraged by them, Ananda Mohan Bose upgraded the City Collegiate School to a second-grade college called 'Mymensingh City College' on 18 July 1901. Mymensingh City College was practically a branch of Calcutta City College, which was established earlier by Ananda Mohan Bose. For some time, the Calcutta City College rendered partial financial assistance to the Mymensingh City College.

National University Ranking Achieve 4th position in Bangladesh.

Highlights of Student Activities of the Year

Academic:

- **Classroom Performance:** Classroom performance is an example of student response system. It is the key of learning. It allows the students to take part actively in the process of learning. Still our students are less inquisitive, but we have been trying to encourage those asking questions which are most important factor of inquisitiveness. And students are gradually responding to this system. We have succeeded a lot in doing so.
- **Sitting for examinations (Internal/External):** Sitting for examination is the conventional feedback of learning system. Though it is directly related to the academic recognition, students are very keen to attend all kinds of feedback on examination performance. Here the participation of the learners is almost 100%.

Extra-curricular Activities:

- Sports: Arranged Sports Activities.
- Cultural Activities: Cultural Activities arranged regularly.
- Social Activities: The Badhon arranged a blood donation camp in the last fiscal year. They also distributed warm clothes and blankets among the poor people in the last winter.
